Sale Highlights

This offering provides Prospective Bidders an opportunity to acquire a value-add, income producing, neighborhood shopping center in Orion Township, MI.

Value Add Opportunity

As of the April 30, 2018 rent roll, the property was 63.57% occupied. Eight of the twenty-one units are currently vacant affording investors a value-add opportunity through strategic lease up of the property.

Diverse Tenant Mix

The Property contains a total of 21 leasable units ranging in size from 881sf to 10,000sf. 13 of the units are currently occupied by a mixture of local tenants, with the majority on NNN leases.

Emerging Market

Originally developed as a vacation resort area for the residents of Detroit, the village has transitioned and expanded in recent years to a more suburban character. The local auto industry has recently seen Ford investing in the expansion of its transmission plant and an auto parts supplier expanding its vehicle testing facility. Beaumont Hospital, an eastern Michigan population driver, is currently undergoing a \$160 million construction project. Employment, industrial production and house prices are in line with Michigan growth rates and growing faster than the national rate.

DUE DILIGENCE

Due diligence materials are available to qualified prospective bidders via an electronic data room hosted by RealINSIGHT Marketplace. Prospective bidders will be required to electronically execute a confidentiality agreement prior to being allowed access to the materials. All due diligence must be conducted prior to signing the purchase and sale agreement. You may contact the sales advisors with any due diligence questions.

BUYER QUALIFICATION

Prospective bidders will be required to register with RealINSIGHT Marketplace to bid. Each bidder will be required to provide current contact information, submit proof of funds up to the full amount they plan to bid, and agree to the Auction Terms and Conditions.

In order to participate in an auction, the Seller requires bidders to provide proof of their liquidity in an amount of at least their anticipated maximum bid for those assets they wish to bid on. Such liquidity must be in the form of cash, or cash equivalents, and must be available immediately without restriction.

Generally, recent bank statements, brokerage account statements, or bank letters are acceptable. A line of credit statement may be acceptable only if it is already closed and in place, has undrawn capacity, and may be funded immediately without bank approval.

Loan pre-approval letters, term sheets, and the like, where the loan would be collateralized by the property up for auction and funded at escrow closing, are NOT acceptable. Capital call agreements, investor equity commitments, and the like, are evaluated on a case-by-case basis. The acceptance of any proof of funds documents are made at the sole and absolute discretion of RealINSIGHT Marketplace.
